

EBA & ESA Convention 2010

International Bonsai & Suiseki Exhibition

New Talent Contest

Zurich / Switzerland

11.06.2010 - 13.06.2010

Museum für Gestaltung Zürich, Ausstellungsstrasse 60, 8031 Zürich

The EBA convention is taking place in 2010 in Zurich. This city is among the most beautiful and most multicultural in Switzerland. The building was built around 1930 in Bauhaus style and is placed today under protection of historical buildings and monuments. We are fortunate to be allowed to make the Exhibition happen in the premises of the Museum of Design Zurich. The Museum of Design Zurich is the most important and also largest Museum of Switzerland concerned with design, visual communication and architecture.

The Museum Hall

The most beautiful Bonsai and Suiseki from Europe will be displayed in the great hall on a surface of about 1000 m².

The Lecture Hall

An exhibition area of 300 m², equipped with state of the art of audio-visual technology, where design demos, lectures, talks and film presentations can take place.

Design demo

For demonstration of design there will be a tent of about 200 m² on the lawn in front of the museum.
